CURRENT AFFAIRS SALON

We are now in the summer season when the Current Affairs Salon usually breaks until the Fall. We have noted that there are several new members of the Association this year, a number of whom have indicated an interest in the Salon. However, we have not seen many of them appear in the Zoom meetings we have had thus far in the year. It may be that some members are not familiar with the Zoom “routine” or would rather the sessions be in person.

To look further into this, we have decided to have a regular meeting (complete with topic TBD by next week) at **2:00 pm on Thursday August 17**. It will be held “in person” in the Party Room at Riverwind (10721 Saskatchewan Drive) which is the residence of the organizer, Gordon Rostoker. There is plenty of free parking in the guest parking lot behind Riverwind. Coffee, tea, and cookies will be provided. (Instructions as to how to get to the guest parking lot in Riverwind will be provided in the next Newsletter.) After the normal discussion of the chosen topic, we will make some decisions regarding the choice of *in person* vs Zoom sessions and develop a list of preferred topics for the

future from the members present. So far 6 members have indicated an interest to attend but there is room for more!

Some time between now and a week before the event, we would like to know how many of you plan to attend so we can be prepared. You can inform us at emirhse@ualberta.ca at your convenience.

If there are some who would like to see some sessions via Zoom, please inform us at emirhse@ualberta.ca.
